MERCURE VINTAGE

REGIONAL

Mercure Weinlese is sourced directly from native wine growers – a bold concept that perfectly captures the essence of the times we live in.

PROFESSIONAL

Mercure Weinlese is served by highly skilled waiters that we have trained in collaboration with the German Wine Institute.

Down to earth

Great quality need not be excessively expensive: at Mercure, you can enjoy specially selected wines at attractive prices.

Participation

Our guests play an important role in the selection: Le Club AccorHotels members help to choose the wine menus at the annual final tasting.

VARIETY

Mercure Weinlese has something for all tastes – everyone is sure to find their favourite wine.

A PLEASURABLE AND RELAXING BREAK.

BUSINESS

The truly important things happen during breaks. Meaningfully arranged, breaks are therefore essential to the success of every meeting. With **RELAX – BUSINESS BREAK** we offer our meeting guests diversion, recreation, and innovative culinary delights: to briefly pause and enjoy in order to start full speed ahead a few minutes later.

Indulgence guaranteed. The range of options offered at a **RELAX Business Break** can be divided into three categories: Simple and straightforward (Street Food), Fresh and wholesome (Green & Healthy), Regional and seasonal (Locally Inspired). The proportions of these categories can be flexibly adjusted to suit each conference.

MEETING / EVENTS

Whether you wish to hold a small meeting or a large conference, we have just right room for every need – with lots of natural light, no obstructing pillars, free Wi-Fi and state-of-the-art technology.

We can adapt our versatile function rooms for up to 300 people very flexibly to your specific needs.

From the initial idea right through to final goodbyes – our professional and cordial staff, as the key contact for all your concerns make this an easy and enjoyable experience.

From professionals for professionals.

Business travellers can surf the web with our premium unlimited WiFi service, connecting with up to three devices and no broadband speed restrictions – available as a package with overnight accommodation and breakfast.

WITH HEART AND SOUL

Your event is a matter dear to our heart.

MEETING / EVENTS

Every event has its own goal and purpose.

Often it aims to provide a contrast to the programme completed thus far, at best a memorable end to a full and busy day.

For this reason we wish to create concepts that are precisely tailored to your needs. We have numerous options available to increase communication and a sense of belonging amongst your guests.

So wherever they wish to celebrate – at our Hotel or original function rooms – there are no limits to our creativity.

Whether you need help finding a knightly setting or a spot under the night's sky around the campfire in our park – **we can create the perfect individual setting and add to it with culinary highlights.**

TRAINING INCENTIVE TEAM BUILDING

Our K4 Academy for special training.

The K4 Academy at Mercure Tagungs- & Landhotel Krefeld provides a unique range of training options and activities. These address all four dimensions of the human experience „head – mental“, „heart – social“, „soul – spiritual“ and „body – physical“.

This means we can offer your participants, guests or staff a balanced experience – because anyone seeking good professional productivity without the burn-out has to strike a healthy energy balance.

Those present tap into all four dimensions of their experience so they will then also be able to use what they have learnt more easily in their professional and private lives.

LERN & DENKER werkStadt

Scope for Creativity.

Discover the New Conference World at the Mercure Tagungs- & Landhotel Krefeld.

Our **Lern & Denker werkStadt** space offers room for intense discussions in small or alternating groups, for an open and creative exchange of ideas. Design your own training world for new impulses under the best conditions, with optimum interior design and revolutionary multimedia technology. High speed WiFi, large, interactive touchscreen monitors, tables that can be written on, with text which can be digitally edited, a digi-cam and a high-quality sound system all make a highly successful working environment easy for you.

Arrange your breaks in line with your own individual needs – relax in front of our fireplace, on our lovely **freiHeit terrace**, enjoy outdoor activities, a relaxed massage or an outstanding meal in a pleasant lounge setting.
